PROCEDURES FOR ORGANIZING CLUB RUNS

Anyone organizing a Club Run is responsible for supplying relevant information about the coming event for the Newsletter prior to the event. They are also responsible for a Run report for the Newsletter following the event. (This can be delegated to another person – but the organizer is responsible for getting the article to the editor). Please note that there are available spaces, in the Club Calendar, for members to offer their services in organizing a Club Run.

President's Report

2018-2019 PRESIDENT'S REPORT-THE YEAR THAT WAS 14 MONTHS!

As I reflect on the 2018-2019 year, it has been a 14 month year with the re-alignment of our Club year from April to June, I realise that it has not only been a busy year, but an interesting year.

There have been 23 runs/events in that time as well as our monthly general meetings and committee meetings. An annual program of runs and events included the Pub Lunch Run, Economy Run, Patron's Run, Ladies' Day Run, Pizza Night, Pinnaroo Campout (40th year), Murray Bridge Show Display, Callington Show Display, Murray Bridge Christmas Parade, Cherry picking Run, Club Christmas Party, Wellington Strawberry Fete, Mal Fountain Memorial Run and Club Presentation Night.

As well as visits to Keswick Military Museum, The Bend Racetrack, Old Government House at Belair, the Bi-Annual vehicle display at Lerwin Nursing Home, Purnong Trash and Treasure, Palmer Gem and Mineral Display, assisting at the National Heritage Machinery Rally and a Pistol Club visit.

During the year we have lost some members-either due to moving away from the area, selling their vehicle or sadly, passing away.

On behalf of our club, I also welcomed new members during the past 12 months. We hope that you will appreciate and enjoy the friendship and ideals of our club. We are here to pursue a common interest-that is, our vehicles. Whether we own a motorcycle, car, truck or even a bus!

Whatever your choice is in vehicles, we can all connect with each other on a club run, a BBQ meeting or whatever. This is the basis of our club and the reason it was formed 47 years ago.

It is fantastic that some of the founding club members of our club are still with us. Many of them have volunteered countless hours and personal effort to make this club what it has grown to today, with approximately 280 members.

As time progresses many of our senior members will take a 'back seat' in driving this club and this will allow the next generation to step into the 'driver's seat'. Please remember that if we don't get any new 'drivers,' then we will not have anyone 'steering' us in the right direction!

We have a wonderful group of both men and women who are involved in running our club. Without their dedication and the giving of their time, we would simply cease to function. All of your efforts are greatly appreciated.

One such effort that does need to be noted is that of our club magazine editor, Lyn West and her husband Tom. The end of the 2018-19 club year marked the retirement of Lyn and Tom from this position, after an amazing 15 years of publishing our magazine.

Claude.

Deepest Sympathy

Is extended to any club members who have experienced the loss of loved ones.
Our thoughts are with you and family members at this difficult time.

Pieter & Pat Kriel experiencing the recent loss of Pieter's brother in South Africa.
Graham & Jude Modra experiencing the recent loss of Graham's brother.
Club member Trevor Binney who passed away on 22/6/2019

FROM THE EDITOR

Welcome to the latest edition of "Auto Torque".

I will begin this editorial, by thanking all the members who have contributed to this edition of the magazine for their efficiency, kindness and assistance.

Have you as a member of our great car club, attended any of our outings or activities yet? The committee held a meeting recently and discussed the forthcoming year's program as detailed on page four.

Our outings abound with great comradery, stories regaling from the early years in the lives of our members to the more recent time, the "Wooden Spoon" often arrives for plenty of "stirring", and lots of fun is enjoyed by all those attending our activities.

Do not be shy, check out the dates on our "Coming Events" calendar and be sure to join us as we gather for another run. More importantly, should you have any ideas for a club activity, please discuss your proposal with our Run Coordinator or Club President.

We have a great club, but in terms of the old saying, it is only as good as those who participate within it. Hoping to see you on the next run.

Safe & happy driving to all.

Yvonne

Coming events information and any other articles for the Newsletter should be passed on in the same way. To ensure inclusion in the next Newsletter, articles should reach the Editor **AT LEAST ONE WEEK PRIOR** to the October meeting. Many thanks for your cooperation – Yvonne.

TWIN BRIDGES RALLY UPDATE – 29-June 2019

The Twin Bridges Rally (TBR) Coordinating Committee are well into the planning stage of the 8th Biennial TBR from the 18th – 20th October.

We would encourage you to set aside these dates and give serious thought to attending this well tried and proven event. It is a must for any new members (and old) of the ACCMB to get to meet and greet the 50% of attendees from other clubs, with many varying historic vehicles that come with them.

This year will again be **full of surprises**, (including a visit to the Monarto Zoo) and we hope will be of interest to all who attend. **(See Registration Form for further details)**

The PROGRAM for the weekend has been announced and the Registrations forms are available on this website. **CLICK onto Twin Bridges Rally Registration Form for a download of 4 forms.**

Keep your eye on the ACCMB website and Auto Torque magazine future additions for further TBR notices and info.

If you have friends coming from out of town and need accommodation, PLEASE pass onto them to **BOOK NOW** to avoid disappointment as many other events in and around Murray Bridge make it difficult to get accommodation.

Please remember when booking that the Murray Bridge Tourist Park on White Hill is a SPONSOR of the TBR & will be glad to WELCOME you to their park and to the City of Murray Bridge.

Until next report – Bye from all of us at the,

TBR Coordinating Committee,

If you have a talent in knitting, crochet, embroidery, quilting or other craft and are willing to contribute something, no matter how small (eg a covered coat hanger) it will be gratefully received.

A small amount of donations has already been received. Many thanks to those people for these items.

***** Friday Evening Dinner *****

As is the custom of past TBRs, our ladies kindly make and donate an assortment of Mornays & Casseroles for the evening meal.

PISTOL CLUB RUN (1 / 6 / 2019)

By Graham Edwards & Ricky Kaak

Saturday the 1st June was the day chosen for the Auto Collectors Club of Murray Bridge (ACCMB) member Jamie Brine to organize a Club outing to the Murray Bridge Pistol Club.

5 vehicles along with 10 participating ACCMB members met at the ACCMB Clubrooms to receive instructions from run Coordinator Jamie Brine prior to their departure.

The Murray Bridge Pistol Club is a short drive from Murray Bridge to the clubhouse at 1 Toora Road, Toora, situated at the "Old Toora School".

Following the official welcome, along with the strict outline of Safety procedures for the day, each ACCMB member was allowed 5 practice shots at a target to start the day.

One of the ACCMB members after shooting her 5 shots and looking at her target, to her surprise found 4 bullet holes in the black area. Unfortunately, her elation was short lived, as the young man in the next bay, had accidentally shot her target instead of his.

All members had 35 shots each that went towards a trophy for the day.

ACCMB Lady trophy winner Suzannah Lambert

Best ACCMB lady shooter went to Suzannah Lambert with a score of 190.

Following the 35 shots each, members then were permitted to have a shot or two from other guns on display.

With all shots being called, coffee & biscuits were served and appreciated, before the official thank yous were given, also thanking ACCMB and Pistol Club member for his help on the day, ending another interesting and different outing before, thanks to organizer Jamie Brine.

PRESENTATION DINNER (22 / 6 / 2019)

By Graham Edwards

Saturday 22nd June, the Auto Collectors Club of Murray Bridge (ACCMB) members gathered together for dinner and 2018/2019 awards Presentation evening.

As members gathered in a warm and cosy Murray Bridge Bowling Club (MBBC), the cold weather outside made for an almost stay at home by the fire evening, but 50 ACCMB members braved the cold, for this most important yearly meeting. With members gathering and finding their seats, while enjoying a drink and chat, ACCMB Publicity Officer received a phone call from one couple

asking, “What time is this dinner, no members are present yet”, you guessed it, the “well known couple” were at the wrong venue. Wow, not bad for a coach driver and his bride.

With all members now accounted for and seated including the latecomer's, President Claude Minge welcomed all members, outlining the evening's proceedings including one member who had received a leg massage so that she could attend. Well done to that member, that's dedication at the highest degree.

MBBC ladies who had been busily preparing the evening meal, came out of the kitchen with no fuss, and served the main meal to perfection, while the noise of members chatting dramatically quietened, and all you could hear was the sounds of knives and forks. Then it was the President and Secretary, Life Member Brenda Cowie's job to firstly present

the “keeper trophies” from 2017/2018, before the presentation of the **Perpetual Trophy winners for 2018/2019.**

Valvoline Trophy – Most points scored for attending meetings and runs. Winner. **Jan Hall.**

Patron’s Run -- Winner of competition set by the Patron. Winners – **Suzannah Lambert & Peta Buck**

President’s Trophy -- Member chosen by President for Continuing Club service. Winner – **Life Member Lyn West** for 15 years of producing the club “Auto Torque” magazine.

Sausage Sizzle Run. – Winner of quiz set by the run organizer. Winners – **Elaine and Roy Bretag.**

Ladies Day Run. – Winner of quiz set by the run organizer. Winners – **Elizabeth and Claude Minge.**

Economy Run. – Member on run who determines correct amount of fuel used by a nominated vehicle on the run. Winners – **Peter & Aileen Geue**

A vote of thanks was also given by President Claude to Secretary Brenda, for all her efforts in organizing of the trophies for the winners.

Applause in the usual fashion was shown by members of the ACCMB.

With the evening drawing to a close, members said their farewells and expressed their thanks, then headed out into the cool of the night before heading home.

Another very successful presentation dinner for members was had by all attending.

Pub Run to Gumeracha Hotel

Sunday July 28th.

Normally the organiser of the "Pub Run" would lead with their historic vehicle, but sadly this year it was not to be. When I returned from fuelling up for the run on Friday, I noticed an ominous smell, which on investigation, came from a growing puddle of water under the poor old Fairmont. Bugger. Surely Ford parts would not fail? Sometime in the past, someone must have installed some Holden parts by mistake. Further investigation indicated that the water pump had failed, so there was no time left to fix it. Vicki & I would have to go "modern" instead.

And so it was that the Subaru lead a group of 22 vehicles from the Johnstone Park Clubrooms (another three vehicles met us at Gumeracha) in wonderful sunshine through a pleasantly green countryside. At least we have had SOME rain!

We travelled through Palmer, Tungkillo, Mount Torrens and Kenton Valley to reach our destination of Gumeracha. Trevor Kitto expressed his surprise and pleasure with the inclusion of Kenton Valley, his old childhood stamping ground. All lovely countryside and a pleasure to drive through.

Another minor disaster was avoided just before Mount Torrens, when some clown coming towards us thought that the rules on securing your load did not apply to him. A corrugated iron garden bed sailed out of his trailer and skated across the road in front of us, far enough in front that we could easily avoid it, but certainly close enough to raise the heart rate. He was last seen retrieving the now much worse for wear garden bed from the side of the road. It had probably just been bought from Mount Torrens. Serves him right.

So we all arrived safely at the Gumeracha Pub where we were welcomed by Mark and Amanda, the publicans. First things first with some liquid refreshments required after such a long and arduous drive, then 49 of us sat down to a great pub lunch, topped off with bread and butter pudding, washed down with coffee. Mark and Amanda and staff really looked after us.

As usual, lots of stories were told (all true of course!!) before Jan warned us that Howard was up to his usual tricks and we should ensure our windows were shut against the impending downpour. However, I think that Howard must be losing his influence, as only a couple of drops of rain fell.

Eventually the crowd gradually thinned until we were the last ones left, so we thought we should go home as well. A very pleasant day, hope those attending agreed.
