MAGAZINE/WEBSITE ARTICLES

Would members who organize Club Runs please write a report on their run and deliver to Yvonne Mach either by post/hand delivery to the letter box at 296 Adelaide Road, Murray Bridge, 5253, or email to as a word document to yvonnemach@bigpond.com. Also, please send same to our Webmaster, Pieter Kriel, autocollectorsmb@gmail.com for inclusion on the Club Website. Coming events information and any other articles for the Newsletter should be passed on in the same way. To ensure inclusion in the next Newsletter, articles should reach the Editor **AT LEAST ONE WEEK PRIOR** to the February meeting. Many thanks for your cooperation – Yvonne.

President's Report

As we progress towards the end of 2020, I will state the obvious in regards to the year that was. It has been a very different year for us as a car club with some testing times. We have survived! We look forward to 2021!

Rather than talk about 2020 I would like to focus on some different aspects of life and how Murray Bridge has progressed.

On a personal note 2020 marks 50 years since my father and I conducted a funeral at Coober Pedy. I have copied details from an article that was published in the Advertiser newspaper telling the story. I have put together some photos of 2 service stations in Murray Bridge – 1950's and now.

I have also copied some cars for sale adverts from November 2002 which indicate the values of some very collectable cars at the time. The value of these vehicles has escalated dramatically in the past few years.

If anyone else has any photos or history that could be shared amongst our club members please contact our Editor, Yvonne.

Claude Minge

A FUNERAL AT COOPER PEDY 1970

As funeral directors at Murray Bridge we are at times called upon to arrange funerals at places far from the area we normally cover.

In August 1970 we arranged the funeral of a retired opal from Wellington who wished to be buried at Coober Pedy. We checked the option of flying but the light aircraft that serviced Coober Pedy had made a forced landing a few days prior and was undergoing repairs.

A decision was made to use our 1960 Ford Fairlane. Extra fuel was taken in Jerry cans as we needed enough fuel to travel from Port Augusta to Coober Pedy (640 kms of unsealed road). There were 2 petrol suppliers, Pimba and Kingoonya but they were not open 24 hours and we were travelling overnight.

The funeral was arranged for 1.00pm on Saturday. We left 8.00pm on the Friday night, planning to drive through the night. We refuelled at Port Augusta at midnight, where we were told the road Coober Pedy hadn't been graded for 12 months due to the lack of rain. At 2.00am it started raining and continued throughout the night. Progress was slow due to clay sections of the road, some tens of kilometres long, being so slippery that our vehicle slid from one side of the road to the other. There was no other traffic, only the occasional kangaroo. The road in 1970 went through Kingoonya and Mt Eba - a far different route from today.

The road took its toll on the Fairlane- a broken rear shock absorber and a broken engine mount which caused the fan to hit the radiator. Repairs were made with a few metres of fencing wire. We arrived at Coober Pedy about 11.00am on Saturday. The local police officer led us in his 4wd Land Rover to the cemetery, where we found a round grave "dug" by way of a charge of explosives set and the hole blasted. Two planks were laid across the centre- "make sure you step backwards off the planks ", was the instruction.

The funeral service was held underground in the Catholic Church and burial completed. We refuelled and repaired the Fairlane and headed back down the track, arriving home at Murray Bridge at lunchtime on Sunday completing a 40-hour return trip of 2000 kilometres.

These three car advertisements above were from newspapers dated November 2002. In hindsight any of these vehicles would have been good buying.

(Thank you for all of the above information and pictures which were supplied by Claude Minge. A very different and extremely interesting President's contribution to the magazine.)

PROCEDURES FOR ORGANIZING CLUB RUNS

Anyone organizing a Club Run is responsible for supplying relevant information about the coming event for the Newsletter prior to the event. They are also responsible for a Run report for the Newsletter following the event. (This can be delegated to another person – but the organizer is responsible for getting the article to the editor). Please note that there are available spaces, in the Club Calendar, for members to offer their services in organizing a Club Run.

From the Editor

Welcome to the latest edition of "Auto Torque".

I have been spending a great deal more time outdoors in our yard in recent months, and have witnessed some wonderful things during this time. Nature's wildlife is truly amazing and enthralling. We have had a variety of young, bred in our area. Parents have brought their young to the waterpots to teach them to drink and bathe. Each variety appears to have different methods. Some struggle with the bees that also frequent the water. Occasionally, a lizard will visit, causing consternation. However, the most interesting has been the young wattle bird. Whether it ventured unwittingly out of the nest, or it was blown out in the strong winds, I am not sure, but it was an early excursion to the ground. The parents continued to feed it regularly throughout that day, along with the rest of their young still in the nest. But the most fascinating of all was when, toward nightfall, the parents coached the youngster, making it hop quite a distance and successfully got it into a boxthorn bush, on the neighbouring property. Now, I am not a fan of these bushes generally, but this one served for the purpose of sheltering the youngster over the next few days, whilst its parents continually fed it until it was able to fly, and re-join the rest of its nest companions, taking short flights between the shrubs and trees, and eventually beyond. This was a very pleasing and satisfying result. As I prepare to complete this edition, I realise that without a December meeting and Christmas Party, many of us will not have the chance to catch up together for quite a while. So, I take this opportunity on behalf of our club members, and extend Seasons Greetings, Good Health and New Year Wishes from all of the club members, to all of the club members.

Safe and Happy driving to all.
Yvonne

COMING EVENTS!

CHRISTMAS PARTY (SUNDAY 6TH DECEMBER 2020)

Please note that this event has now been cancelled.

PIZZA NIGHT (FRIDAY 15TH JANUARY 2021)

Is it really going to happen? Well, we hope so! As I write this, only a few days ago it was all systems go, but with a limit of 50 people. As it stands now, it is off again. So, what will happen by January 15th is anyone's guess.

So, let's be positive and assume that we will be able to go ahead as per normal. I will try to let you know if we have to cancel or feel free to call me or Vicki.

Remember, this is a Friday night event

Make your own way to John & Vicki Courtney's place to arrive from 5.30 PM. Pizza will be ordered to arrive at 6.30 PM.

NOTE: Please enter from the Riverglades Lagoon side of property, NOT THE NORMAL DRIVEWAY (see directions below) and park in the front yard. Closer to carry chairs and eskies!

Pizza and Water Melon & Pineapple supplied

Cost: - \$5.00 per person

Bring: - Chairs, Drinks, Mosquito Repellent

Directions: - Leave Murray Bridge Main Street and cross the old bridge, follow the Old Princes Highway to the top of Budericks Hill (or the OTR Service Station, for you youngsters) and TURN LEFT into Mitchell Avenue. Follow Mitchell Avenue till you reach Loddon Road and TURN LEFT. Continue to the bottom of the hill then TURN LEFT into Riverglades View (Previously called Murray Drive). Follow this road for 200 metres (it's only a track at that stage) then TURN LEFT into our gateway.

Please let us know if you will be attending so we know how many Pizzas to order! If you have not put your names on the attendance sheet at the December meeting, phone **John or Vicki on 85324107**. Should we be limited to a maximum of 50 people, I will let the excess people know that they will be unable to attend. Please also let us know if for some reason

you need to remove your name from this list, this MAY be more important than ever this year, as your lack of attendance could prevent someone else from doing so.

CRUISE NIGHT **(FRIDAY 5TH FEBRUARY 2021)**

This is an informal run, where you can come and go as you please. We will not be going as a group. Directions: - Leave Murray Bridge on the Swanport/Jervois Road. Turn left onto Swanport Village Road (shortly after passing under the South Eastern Freeway) and follow this road to Swanport Reserve. Come along for a casual get together, bring your tucker, drinks, mosquito repellent, whatever, and join us any time from 5:30 p.m. See you there.

Jan Hall (Run Organiser).

Run Reports

Patron's Run 14/10/2020

18 cars and 36 people left the clubrooms in the beautiful sunshine and crisp air, just the sort of day you enjoy taking your old car for a spin. We arrived at Ben's at 10:30 a.m., morning tea time, to coffee and biscuits. After perusing the great collection of cars and a motor home that Ben had on show, he then took us to see the "surprise", he wanted to show us.

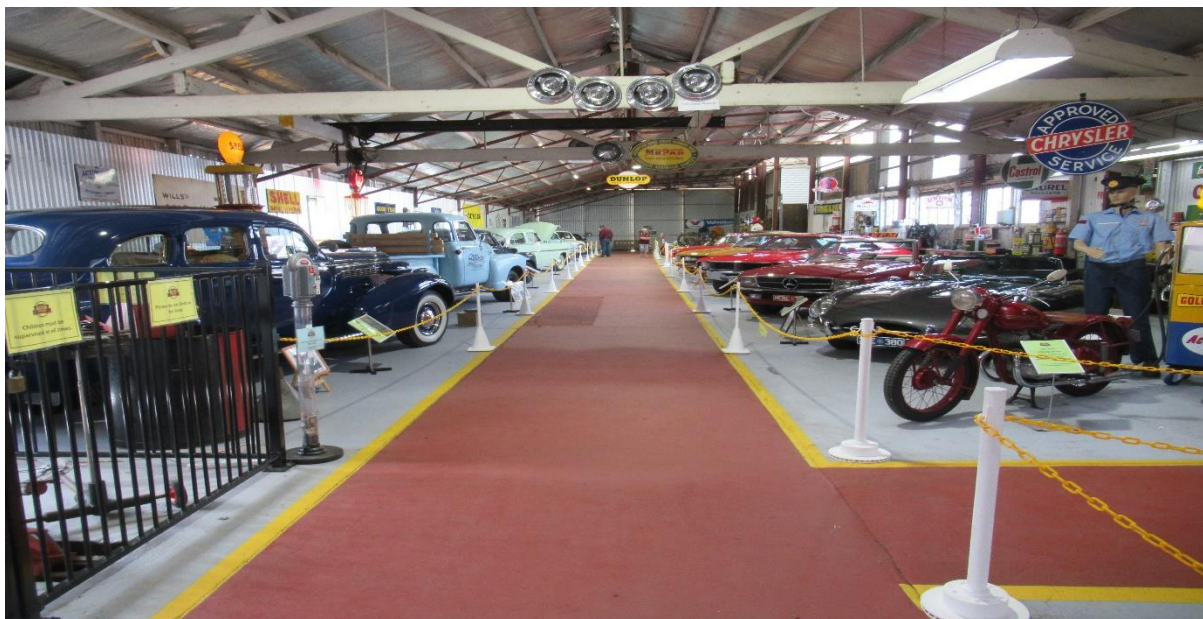

Just up the street and across the road to his new showroom, where ("Blow me Down"), there was the pink and white Ford replica Thunderbird that Marilyn Monroe drove in the late fifties film (Blonds have more Fun). But unfortunately, I did not have my credit card with me or I might have been driving home in it.

We then drove the short distance around to the Commercial Hotel for lunch which was very good in selection and very good quantity. Graham organized a group to look at the Strath Museum. But Lyn and I decided to head for home before it got too hot, as MG'S don't like the heat, and neither do I.

I would like to thank all of you who attended the run and I hope you enjoyed it as much as Lyn and I. A thank you to Terry and June, for being Tail End Charly and thankfully no incidents reported.

(Thank you for the report, supplied by Bob & Lyn Hunter (Run Organizers) and photos from Graham Edwards.)

Vernon Graetz Memorial Run 15/11/2020

On a warm Sunday morning of the 15th November with the weather forecast to reach 38 degrees, 7 cars aged between 1930's to 1985 and 2 modern cars set off for Frank Potts Park at Strathalbyn, travelling via Maurice, Martins and Brinkley Roads for a picnic, smoko early lunch.

We found a lovely plot amongst gums with plenty of shade, then set up tables and chairs and had our scrumptious picnic, there were 18 of us from the club and we had the pleasure of Cecily's brother and partner join us.

There was a proposed toast with champagne to honour Vernon, I am sure he would have felt proud in the way he was honoured; Cecily drove the LaSalle.

When it came time to progress to Rusticana Winery for wine tasting none of us were in a hurry to leave, especially with more Bubbly being consumed.

At Rusticana Wines we tasted their fine wine along with the famous Newman's Horseradish, also with Beetroot and Mustard.

I am sure I can speak for all that were present very relaxing enjoyable run, despite the heat. Please excuse the photography my first attempt was better, so I thought, oops no gallery, unfortunately I did not capture a single photo to save, thought the on off button was the shutter. "Modern Technology." Luckily realised before we left.

Above -Lyn & Tom West sampling beverages at the Rusticana Winery.

(Thank you for the report and photos supplied by Jan Hall (Run Organiser).)
