MAGAZINE/WEBSITE ARTICLES

Would members who organize Club Runs please write a report on their run and deliver to Yvonne Mach either by post/hand delivery to the letter box at 296 Adelaide Road, Murray Bridge, 5253, or email to as a **WORD Document** to yvonnemach@bigpond.com. Also, please send same to our Webmaster, Pieter Kriel, autocollectorsmb@gmail.com for inclusion on the Club Website. Coming events information and any other articles for the Newsletter should be passed on in the same way. To ensure inclusion in the next Newsletter, articles should reach the Editor **AT LEAST ONE WEEK PRIOR** to the August meeting. Many thanks for your cooperation – Yvonne.

President's Report

During the past month, Liz and I travelled approximately 8500kms visiting the Northern Territory and the Kimberley region of W.A. We enjoyed the weather which was low to mid 30s every day. Shorts and T shirt weather! Wherever we travelled we always found a connection to S.A. or Murray Bridge, or as "The Territorians" refer to us as the "Southern Northern Territory".

The main connections were people who had moved from S.A. to find a warmer climate up north. We visited Daly Waters in the N.T. which is approximately 930 km north of Alice Springs and was developed as a landing strip for aircraft during World War 2.

These days the main drawcard is the Daly Waters Pub which is the biggest attraction the town has and is well worth the visit. Across the road from the Pub is a privately owned Museum/collection of vehicles and memorabilia called Tim's Junk Yard.

An honesty box at the entrance requests a \$3.00 entry fee which was something we were happy to do because the collection inside is definitely worth viewing with motorbikes, cars, trucks etc.

What is the connection to Murray Bridge and S.A.?

It is a 1947 "5th wheeler" which is a 1946 Dodge Fargo truck towing a custom-built trailer/caravan constructed in 1947.

It was custom built for Mr. Harry (Pop) Parr and his wife Daisy of Pinnaroo who owned the Pinnaroo Bakery.

It has an under-floor bathtub with hot and cold gravity fed water, kitchen sink, stove, electric fans, full size dining room table etc. which equates to all the "mod cons" we take for granted when we head off in a caravan these days.

The caravan section of the 5th wheeler was found in Murray Bridge in 1998 and the truck was located on a dairy at Wellington, stripped of its wheels and used as a storage room on the farm. Both the truck and van were in a very bad state of repair. They were restored by Mr. Dick Hart and his mates over a period of 5 years. The original cost of the rig in 1947 was over 2,000.00 pounds (\$4,000.00) which was enough to buy a very good house in the 1940's.

The custom-built van was constructed by Grace Bros. of Birkenhead. It was used until the 1950's and then become a permanent fixture at the Goolwa caravan park for many years.

How, when, and why it ended up in Murray Bridge is not known. If you are visiting Daly Waters N.T. I recommend a visit to Tim's Junk Yard which is well worth the \$3.00 entry fee.

The 2021-2022 year for the ACCMB will end in a few weeks. We have our Annual General Meeting on July 5th. Nomination forms have been issued with our last magazine. It is a simple task to put your name on the form and enjoy 12 months of helping your club. Enjoy the challenge and see what you can do for your club.

Claude Minge

From the Editor

Welcome to the latest edition of "Auto Torque".

It is a very changed world that we live in currently, particularly if you need any medical procedures. Vaccination proof is required to be shown, along with the requirement of generally not having had Covid in the last two months prior to any operation. This effectively restricts the lives of those persons and their immediate family members, so that they remain Covid free prior to the proposed due date of the operation.

However, all is not guaranteed. Shortage of medical staff because of Covid infections and the sometimes-critical supply issues of medical equipment, is also disrupting the operation date, precipitating a cancellation and the resetting of a new due date.

Finally, having satisfied these criteria's and successfully arrived at the scheduled operation day, only the patient is allowed to enter the hospital front door, wearing the appropriate mask, and completing the necessary infection control measures. Family members are kept in touch with the progress via an app on a mobile phone, which is quite an amazing informative product.

Eventually, when the operation is all completed, and the patient is ready, only one visitor, who meets the visiting standards, is allowed each day, whilst the patient remains in hospital. On discharge, the patient is brought to the front door, so that they can be collected and proceed to return home.

Our health and wellbeing are often challenged at present and when an individual is not in the best of health, it is becoming even harder to access assistance. The medical staff continue to remain extremely helpful and polite under very stressing times. I wish any members and their family out there in the community embarking on this path, all the very best for their journey and trust that everything goes well in these difficult times.

Until next issue, Safe and Happy driving to all.

Yvonne

PUB RUN

(Greenman Inn, Ashbourne, Sunday 17th July 2022)

Ten years ago, I organised the first “Pub Lunch Run”. It was to the Greenman Inn at Ashbourne, so as this is the tenth anniversary of that run, why not do it again? I have been there a few times over the years and always had a good meal, so why indeed not?

Meet at the Johnstone Park at 10.00am for 10 30am departure.

Note that we will **NOT** stop for smoko, so please have your cuppa before you leave if you wish.

We will, however, have a brief “**toilet stop**” at **Strathalbyn**, in case the weather is cold. It is, of course, winter, so that may well be the case.

Ashbourne is about 60 Km from Murray Bridge, so it should be a leisurely drive. Note that if you wish to leave from somewhere else and meet up with us, please let me know.

Please be aware that we will be choosing our meals from the full menu, BUT the chef has requested that we let him know our requirements in advance, as they get pretty busy on Sundays. Therefore, please refer to the accompanying menu and include your requirements on the attendance form at the meeting or advise Vicki or myself by phone. I will have the list with me at Ashbourne, for when we (myself included), forget what we have ordered!!! We will pay individually when we get there.

It should be a great day, meal, and drive.

Run Reports

LADIES' DAY 7/4/2022

Members met at their Johnstone Park clubrooms to register, receive their run directions and annual trophy quiz sheets, issued by run organizer, Life Member, Brenda Cowie.

With all the formal part "done and dusted" it was time for the 17 members present driving 8 vehicles to "blast off" towards their morning tea destination at the picturesque "Frank Potts Reserve" on the outskirts of Langhorne Creek.

On arrival, the ACCMB convoy was able to park as a club among the gum trees and the 72-hour overnight caravan camping area of the reserve, along the rear bank of the Bremer River that meanders past Langhorne Creek.

As ACCMB members set up for BYO morning tea, club Life Member Maureen Edwards announced the 80th birthday of "long time husband" Graham, inviting all present to share a delicious cake suitably decorated for the occasion by well-known Murray Bridge McCue's Bakery, placed on a table in front of his beloved "Black Zephyr" and cut by Graham as the group broke out in song among the gum trees with "Happy Birthday" Following morning tea and the taking of traditional photos for the club's history records, ACCMB members again started their engines and headed for the "Oasis Gardens Restaurant and Function Centre", at nearby Belvedere.

After a picturesque driveway entry of Palm trees and situated in the heart of the Langhorne Creek wine growing region, the modern function Centre is surrounded by lush, fertile, tropical gardens which were specifically designed to offer a place of refuge away from the busy pressures of life, and provide the perfect backdrop, including a cascading waterfall and large spacious lawn area for your event.

As ACCMB members alighted from their vehicles, the entry took place into the Oasis Restaurant with the QR check in, masks etc. taking place, before being shown to their seats by the polite restaurant staff.

With much "chit chat" taking place with members of the jovial group, trying to sort out the "topsy turvy" world that they currently live in, it was time to order from a 2-course meal and a couple of drinks to put aside their discussions.

Following lunch, it was back into the gardens, where Brenda Cowie gave the answers to her daily trophy run quiz (winner to be announced at the annual ACCMB presentation dinner in July), followed by President Claude Minge who thanked Brenda for organizing yet another great Ladies' Day, and thanked all for coming, wishing everyone a safe return to their respective homes.

(Thank you for the report and photos from Graham Edwards.)

CONROD WEEKEND 30/4/2022 – 1/5/2022

Unfortunately, no-one represented our club at this event.

BIGGEST MORNING TEA AND SAUSAGE SIZZLE 22/5/2022

There were a few early birds arriving at June and Terry Mabbitt's home for this Car Club event, but, after that, members drifted in from about 10:30 a.m. to 11:30 a.m. Morning tea of plates of scones was laid out ready and it wasn't long before people tucked in and helped themselves to tea or coffee. At about 10:45 a.m., Lyn West addressed the group with a welcome, thanked the Mabbitts for providing their wonderful venue, asked those who wished to for donations to the Cancer Council's "Biggest Morning Tea" and introduced members to a "Tea-Rivia" quiz. Answers were marked and 3 winners were announced late in the morning. The winners, who were awarded with a block of chocolate each were: Mary & Ian Rowley; Avril Gartrell and Brett Zastera / Steve Sim. A display board of photographs of vehicles (and people) from the past was on show and created much interest and conversation by members. The morning went by very pleasantly and everyone appeared to enjoy the relaxed atmosphere. A total of \$275 was raised for the Cancer Council. Lyn wishes to thank everyone who donated and also thanks those who provided the photographs. Plus – a big "thank you" to June Mabbitt for helping me put the toppings on the scones.

Meanwhile, Terry Mabbitt, assisted by Tom West, was busy cooking up a swag of sausages and onions on the backyard barbecue. These were served up on a slice of bread, with sauce, by June, Lyn and Vicki Courtney and were much appreciated by all, judging by the lull of voices whilst everyone was eating. Another quiz was handed out by June Mabbitt during the afternoon. The winner (or winners) of this quiz will be presented with the "Sausage Sizzle Trophy" at the Club Presentation Dinner to be held in June. Vice-President, John Courtney, took advantage of a lull in proceedings in order to offer a thank you to organisers, June, and Terry Mabbitt, along with Lyn and Tom West, for a well-orchestrated and enjoyable event. As he did at the previous year's Sausage Sizzle, Terry Mabbitt had an array of second-hand books in his shed. The books were on offer to all takers and there were a few members who took him up. Terry told me later, though, that he wondered if people were adding to his collection! That's the trouble with books. I think they quietly breed on the shelves!

After a very enjoyable day, when everyone had a relaxed opportunity to catch up, chat, mix and mingle, members gradually drifted off home or to do other things. The organisers wish to thank everyone who joined in to make it a successful event.

(Thank you for the above report from organiser, Lyn West)

We combined the Sausage Sizzle again with the Biggest Morning Tea. It always has worked out to be a fun day that way. We had 38 people attend. The weather was a bit cold to start with, but when the sun came out and it finished up being a lovely day. Some took advantage of the sunshine and went outside. There were two quizzes, one from Lyn West part of the day and one for the Sausage Sizzle.

The winner of the Sausage Sizzle will be announced at the Presentation Dinner, and they will receive a trophy. It was interesting watching them working out the answers. There was lots of chattering going on through the whole day. We hope you all enjoyed the outing; I know we did. Terry would like to thank Tom for all his help with the BBQ and we both thank all the other helpers. We greatly appreciated it. We also want to thank all the people who attended that day. It is you who make it a good one.

(Thank you for the above report and photos from Organisers, Terry, and June Mabbitt.)

SAUSAGE SIZZLE QUIZ
