WELL WISHES

We are aware of club members currently experiencing health and wellbeing issues. We offer our wishes to you and trust you get well soon, enabling you to re-join our club activities.

President's Report

Time for my first President's Report.

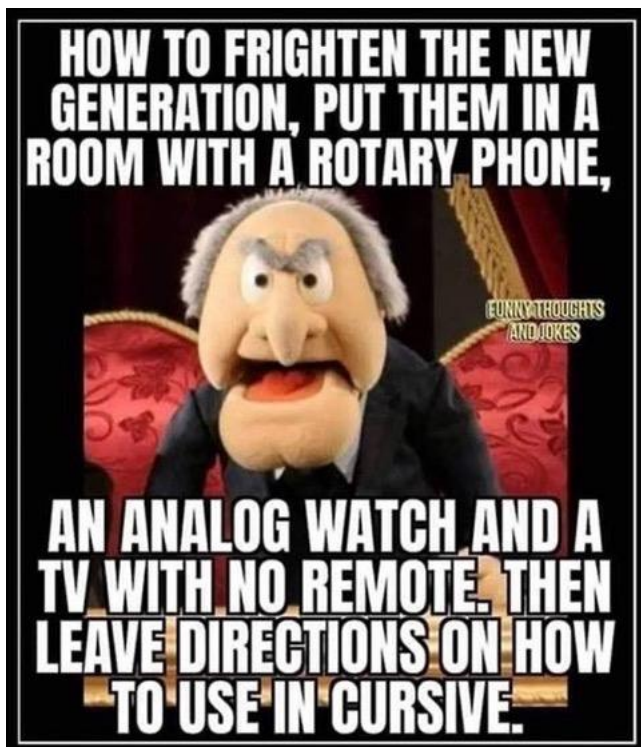

We are now starting the time when spring and summer are starting. Hoping it does not get too hot.

We have had three or four runs so far, unfortunately not well attended, except for the Meningie Hotel run. Twin Bridges Rally is performing well this year.

Our Registrar's now have two laptops'. We also have a new printer. A new photocopier will be delivered to our Editor Yvonne. All curtesy of our State Gov.

Michelle from McMahon's Services contacted me to see if we could provide Classic Cars for the opening of the OLD MURRAY BRIDGE REFURBISHMENT PROJECT. We are providing trucks and cars for this event on Sunday 24th September 2023. Well Done, Members.

Harry Howitt.

From the Editor

Welcome to the latest edition of "Auto Torque".

I found an article recently, when cleaning up some paperwork and have decided to share it with you all. Hoping you enjoy it as much as I did.

HANG ON TILL YOUR'E 80 – IT'LL BE WORTH IT.

I have good news for you.

The first 80 years are the hardest.

The second 80 years are a succession of birthday parties.

Once you reach 80, everyone wants to carry your baggage, and help you up the steps.

If you forget your name, - or anyone else's name, -or an appointment, - or your own telephone number, - or promise to be in three places at the same time, - or can't remember how many grand-children you have,
You need only to explain that you are 80!

Being 80 is a lot better than being 70.

At 70 people are mad at you for everything.

At 80 you have a perfect excuse- no matter what you do.

If you act foolish- it's your second childhood.

Everybody is looking for symptoms of softening of the brain.

Being 70 is no fun at all.

At that age they expect you to retire in a house near the sea-

And complain about your arthritis (They used to call it lumbago)

And ask you to stop mumbling because you can't understand them.

(Actually, your hearing is about 50% gone).

If you survive until you are 80 – everybody is surprised, you are still alive.

They treat you with respect- just for having lived so long.

Actually, they seem surprised that you can walk and talk sensibly.

So, please folks- try to make it to 80.

It's the best time of your life.

People forgive you for everything!

If you ask me—life begins at 80!

Safe and Happy driving to all.

Yvonne

The following archive article was printed in the "M.V. Standard" on Thursday 5th August 1982.

Trial might be annual event.

The success of Sunday's Murray Bridge Auto Collectors Club observation trial means it might become an annual event.

Fourteen cars belonging to members of the local club left Pine Park on Sunday morning to find various items and signs in the town.

Members, upon completing their observations, found themselves at the home of Mr & Mrs P. Klingberg at Rocky Gully, where a barbeque chicken lunch was provided.

The Trial was won by Terry & Judy Franklin.

BELOW- FROM THE WHYALLA CLUB' NEWSLETTER!

Dear members,

It is with great sadness that I have to mention the loss of a few local businesses as a result of COVID-19.

A local bra manufacturer has gone bust, a submarine company has gone under, a manufacturer of food blenders has gone into liquidation, a dog kennel has had to call in the retrievers and a company supplying paper for origami enthusiasts has folded. The local strip club has gone tits up, Interflora is pruning its business and the plumber has gone down the drain.

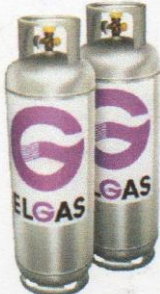

The saddest one though is the ice cream van man found dead covered in nuts and raspberry sauce. He couldn't take it anymore and topped himself.

Run Reports

PORT PIRIE RUN 12 – 14TH /8/2023

Andy and I arrived at the Clubrooms about 8:00 a.m., expecting a large number of cars. There were 4 olds, my EJ, Ian & Lynette Buchanan's Camaro, Ricky Kaak in her camper and David Negrin in his

corvette. At the departure time, all engines started except Ricky. The Camper had a flat battery, but Ricky was prepared and with jumper leads and a quick jump start, we were on our way.

It rained, not heavy, through to Palmer, Tungkillo, Mount Pleasant, Williamstown to Gawler. Having Andy and G.P.S. on his phone,

made thing easy. Through Gawler, Mallala, and then Port Wakefield, where we had

a quick morning tea. Wayne & Viktoria Johns and Han & Deidre Robat met us there. We went left to Kulpara, Ninnes, Bute, Port Broughton, and onto Port Pirie. We arrived at the R.S.L. about 12:41 p.m. and were welcomed by the President, Haydin

Madigan. The volunteers had prepared a light lunch of pies, pasties, sausage rolls and scones, jam, and cream. After lunch we worked our way through the

display. The Huey Helicopter was the favourite. Graham took several photos of us in it and around it. We left the R.S.L. and went to our accommodation.

We met at the Risdon Hotel for tea where we were entertained by the women's football.

Sunday morning at 9:30 a.m. we met at the Transport Museum, starting with a small shed. It had a lot of small bits and pieces. We made our way into the big shed, which was full of you name it, it was in there, followed by a very nice barbeque lunch and salad. I was about to thank them for lunch when Claude beat me to it.

Thanks Claude. The Railway Museum was closed for renovations.

On Monday morning, myself, Andy, Jeff & Aileen Martin, John & Lelene Schwerdt made our way to Yacka. Steve Hyde had a large collection of old photos of the town. He also had an old FX Holden. It was sold new from the same garage. It was found on a farm under a tree. We talked about it for about an hour, then made our way home. I think we all had a good weekend. Thank you for attending.

(Thank you for this report from the Run Organiser, Tony Brine, and for the photos from Graham Edwards.)

BEND SUPERCARS STREET PARTY 17/8/2023

Information regarding this event is not available at this time.

DRIVE YOUR OLD CAR DAY 1/9/2023

On the 1st of September, 4 cars left Johnstone Park Clubrooms at 9am and travelled up to Mt Pleasant, meeting up with our leading vehicle for 10am morning "tea" at the Bakery.

Travelling through many lovely crops of canola, green grain, so many gumtrees, winding roads, uphill and down dale, at least our little cars thought this is fun.

As we continued after almost 100kms, up came a sign or two, more old cars

etc. Bethany, what an eye opener for at least 2 of us in the group.

We were shown our parking spots. The area was packed out with

many types, ages, colours, you name them, possibly at a guess around 200 vehicles, trucks, motorcycles. Time now for lunch, a walk around, many admiring our cars. On our walk we came across 4 more of our members, making up to 7 cars. Next was time to pack up and venture home, about 200 kms all up.

(Thank you for this report and

photos from the Run Organiser, President Harry.)

PATRON'S RUN 6/9/2023

We left the Clubrooms at 10:15 a.m., with 6 cars and 11 people. The weather was perfect and the countryside a picture with the canola crops out in yellow bloom. Ben was there to welcome us, and insisted they blind fold me, as he had a surprise to unveil. It was a beautiful cream sponge cake that we duly demolished. He claims his wife made it for us. Thanks to Ben and wife. I have been jokingly complaining to Ben about the quality of his morning teas, of biscuits, tea, and coffee. I did suggest Latte and sponge cake, so perhaps next time we may get the "Latte". We then proceeded to the Commercial Hotel for a very enjoyable lunch and then made our way back home to Murray Bridge.

(Thank you for this report from Run Organiser, Bob Hunter, and for the photo from Harry Howitt.)

MURRAY BRIDGE SHOW 23/9/2023

Once again, the Murray Bridge A. & H. Society has been and gone and the Club was asked to supply a display of some of the vehicle's members are so proud of. It would seem that many of our owners

are extremely busy and unable to attend at this time of the year. However, despite that, 6 names were listed as being able to attend on the sheet at the last meeting and they gathered at our usual position on the Showgrounds on Saturday morning. Our numbers were increased by some new members showing up and joining the early arrivals. As the spectators arrived, they wandered around the vehicles and got to speak to the owners, who were only too willing to explain all the attractions of the displayed vehicles. It is amazing how many onlookers will start their conversation with "my grandfather, or my uncle had one of these models which were exactly the same as this one, only it was a different colour and had a lot more accessories fitted".

The weather was excellent and soon the owners took out the chairs and tables and settled down to a lot of conversations, mostly about cars, etc. As the crowd increased more questions and stories were exchanged between owners and spectators and all seemed satisfied that the display was a very interesting one indeed. Because the "Grand Parade" was not included in the display for the day, we were able to have an "early minute" and were able to start on our way home around mid-afternoon. All in all, it was a good display, and the weather was in our favour. I thank all the members who were able to attend and present their vehicles.

(Thank you to the Run Organiser, Jeff Martin for this report and Harry Howitt for the photos.)

OLD MURRAY BRIDGE REFURBISHMENT PROJECT 24/9/2023.

WANTED – ACCMB PUBLICITY & ARCHIVES OFFICER

Hi Members.

As you would have heard at the 2023 ACCMB AGM when nominations were read out – I indicated that I will be standing down from this position at the next AGM (2024).

After 13 years in this position, I feel it is time to stand aside and let a younger person take on that Committee position.

I indicated that an apprentice for the remainder of the 2023-2024 Club year would be to the advantage of the club, to learn the ins & outs of dealing with the media & all that goes with the position.

It is and has been a very rewarding 13 years for me and I know for many, many regular readers in the public, who look forward to reading what the ACCMB has done & is about to do.

So, I would like to remind ALL ACCMB Members, that unless this position has been filled by next AGM, the ACCMB will be without a committee person acting as Publicity/Archives to handle this very important part of a very successful club that will be 52 years of age next March.

To the 250 plus members of this club, please give this URGENT/SERIOUS consideration to serve the remainder of this 2023-2024 year as my Publicity Apprentice.

This would please me no end, and I am sure the President & Committee of the ACCMB. Please contact me if you are interested in becoming my apprentice for the remainder of the Club year, & I will outline what duties need to be performed.

Kind Regards,
Graham Edwards,
Current Publicity/Archives Officer. 22-9-2023
